

# A KISS FROM THE BEES

## Open morning in the BeeCraft, Vale Bacias

### May 16th, 10AM-1PM

Humans and bees have many gifts to offer each other when they are in their power.

We invite you to join us in our “BeeCraft”, little sanctuary where we live in close contact with the bees in Vale Bacias, to taste a bit of the possibilities for co-creation between humans and bees, and discover how we can live in synergy and strengthen each other’s shine of “Bee-ing”.
